**RESOLUTION OF THE SAN LUIS OBISPO COUNTY
INTEGRATED WASTE MANAGEMENT AUTHORITY APPROVING A TEMPORARY
REDUCTION OF THE SOLID WASTE MANAGEMENT FEES**

WHEREAS, on or about March 9, 2022, the San Luis Obispo County Integrated Waste Management Authority (“IWMA”) adopted solid waste management fees of 5.4% with Resolution No. 2022-03-04 pursuant to the powers granted the IWMA in the Joint Powers Agreement; and

WHEREAS, Section 6.2 of the Second Amended and Restated Joint Powers Agreement grants the IWMA powers that each Member could exercise separately; and

WHEREAS, at its meeting on March 12, 2025, the IWMA Board created an ad hoc budget committee to consider the impact of reducing the Solid Waste Management Fees; and

WHEREAS, on April 15, 2025, the ad hoc budget committee met to review a preliminary budget for fiscal year 2025 – 2026 and assess whether a continued reduction in the solid waste management fee was appropriate; and

WHEREAS, at a duly scheduled public meeting of the IWMA Board on May 14, 2025, IWMA staff recommended the IWMA Board consider adopting a temporary, one (1) year reduction in the Solid Waste Management Fees based on the discussion and recommendation of the ad hoc budget committee and additional information presented to the IWMA board in considering this resolution; and

WHEREAS, on May 14, 2025, the IWMA Board directed IWMA staff to return with a resolution to temporarily reduce the Solid Waste Management Fees for one (1) year, effective July 1, 2025, according to Fee Setting Policy F-1 addendum A-4.

NOW, THEREFORE, BE IT RESOLVED by the San Luis Obispo County Integrated Waste Management Authority, as follows:

1. For the fiscal year beginning July 1, 2025, the Solid Waste Management Fee, adopted by Resolution 2022-03-04, is temporarily reduced to:
 - 0.84% of gross receipts on residential customers in areas exempted from SB 1383 compliance.
 - 1.77% of gross receipts on residential customers in areas requiring SB 1383 compliance.
 - 0.35% of gross receipts on commercial customers in areas exempted from SB 1383 compliance.

- 2.06% of gross receipts on commercial customers in areas exempted from SB 1383 compliance.
2. The IWMA Board makes the following findings of fact related to the fee reduction: (1) the IWMA has the authority to recover and set fees, and (2) the additional information presented to the IWMA Board in considering this resolution supports this fee reduction.
 3. The reduction in Solid Waste Management Fees as described in Paragraph 1 of this resolution will remain in effect until the earlier of: (i) June 30, 2026, or (ii) such time the IWMA Board adopts a subsequent resolution terminating or extending the temporary reduction.
